Hi Donna:

I've been adding PDF's to that file in response to our current FOIA response so they all should be included in the Administrative Record. I'm sure I'll have additional references before the permit is finalized, but maybe I'll create a new folder for those.

Thanks.

Eric

Subject: Merrimack Files

Hi Eric,

I am going through the files on Q for Merrimack and came across a folder called **RTC 316(a) New References** which contains 25 PDF files from 2013, 14, and 15 of various reports and other information. Do these need to be added to the Administrative Record? Please let me know and I will take care of it.

Also, if you have anything else that needs to be added to the record for the current FOIA or anything else, please let me know and I will add them promptly.

Thanks,

Donna
